Intro to Combat Focus Shooting will give you insight to what Combat Focus Shooting really is and how this training works well with what your body does, in the context of a dynamic critical incident.

Cost : \$125

What You Need To Bring:

**300 rounds of factory ammo, your firearm,
strong holster, at least 3 magazines & 2 magazine pouches**

Combat Focus Shooting™ is an intuitive shooting program designed to help the student become a more efficient shooter, in the context of a dynamic critical incident.

Combat Focus Shooting™ was developed by Rob Pincus of I.C.E. Training, The Best Defense & SWAT Magazine TV, who taught and certified Black Wing's own Robin Salvo & Andy Loeffler, as instructors in the program.

Robin has appeared, with Rob, in several episodes of The Best Defense while Andy has appeared in several training videos, with Rob.
