REGISTRATION
REQUIRED

Join us for our **Defensive Shotgun** course, a range intensive class for anyone who wants to take their defensive preparedness to the next level! This four hour course focuses on identifying and presenting the shotgun skills critical to armed **home protection**.

This insightful course demonstrates the capabilities and limitations of this common, yet misunderstood home defense weapon. Classroom instruction and live-fire range exercises will keep your attention throughout.

You must already be familiar with firearms safety and fundamentals to take this course.
